

2015 SPONSORSHIP OPPORTUNITIES

Last June, the Milwaukee Justice Center raised more than \$11,000 to help provide free legal help to Milwaukee County residents who were facing our court system on their own. This year, we aim to make an even bigger dent in the list of unmet legal needs in our community, and we need your help to do it.

The Milwaukee Justice Center utilizes volunteers to address the unmet legal needs of Milwaukee County's low-income, self-represented litigants through court-based self-help clinics and legal resources. In 2014, the MJC added a new service, and opened its first-ever, dedicated clinic space.

In March, the Milwaukee Justice Center added a Foreclosure Brief Legal Advice clinic on Monday mornings. Now, Milwaukee County residents have a chance to meet with a volunteer attorney to find

potential resolutions to one of the scariest thing many people will ever face, losing their home.

Then, in July, the Milwaukee Justice Center officially re-opened in our newly renovated and expanded space in Room G-9 of the Milwaukee County Courthouse.

Where once we could only help four unrepresented litigants at a time, we can now help up to fourteen. Every client now has the opportunity to sit down in a comfortable, dignified space equipped with the latest in technology to get the help they need.

But we're not stopping there. We need your help to continue providing unprecedented levels of legal service to those in our community least able to afford the assistance of an attorney.

Your sponsorship of the MJC 5k Run for Justice brings us one step closer to being able to stand up and take care of the next need of Milwaukee County.

What we accomplished in 2013:
 10,102 clients helped
 420 people volunteered
 9,405 hours donated

Value of our help:
\$909,825

“The best experience comes when an individual who needs help says, ‘thank you, I’ve been trying to do this for a long time and you are the first person to help me do it.’”
